Sir:

REQUEST FOR POSSIBLE CORRECTION OF PTO FILES

It has just been noted that applicant's transmittal letter and preliminary amendment filed April 27, 2001 erroneously lists the European patent attorney "Wells" as the applicant for the US. Additionally, as correctly already noted in the USPTO filing receipt, the applicant is inventor Clark -- as correctly noted in the above caption.

Accordingly, it appears that the USPTO files are probably already correct but just in case they are not, any needed correction is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
